

07 - MAID OF THE RIVER

<http://www.macnoise.de>

(Rev. Hammer)

**Am** **C**  
She's the maid of the river, so beautifully plain  
**G** **am**  
As fresh as the country that gave her her name  
**Am** **C**  
As crisp as the snow and as swift as the rain  
**G** **am**  
She shone like the sun before all of our games  
**Am** **C**  
She shone like a jewel but her price was not gold  
**C** **am**  
She cried more than most when her story was told  
**Am** **C**  
But her people were evil left her barren and cold  
**G** **am**  
And her heart went to market where her body was sold

**Chorus**

**am** **C**  
I said : 'Hey, hey won't you take me away  
**G** **am**  
'Cause I can't see the point in the dawn of the day  
**am** **C**  
When so many killers come take you away  
**G** **am**  
They'll leave nothing left except hatred'

**E** **am**  
She's the goddess of love, the goddess in green  
**E** **am**  
The goddess of all that I've ever seen  
**E** **am**  
The goddess of hope, the goddess in brown  
**E** **E**  
The goddess of all that you've burned to the ground

**Chorus**

There's all kind of hatred flows out of those hands  
There's the hatred that strangles the throat of a man  
But the worst of all hatred is that which is planned  
Against what we have in this goddess of land

**Chorus**

She's the goddess of love, the goddess in green  
The goddess of all that I've ever seen  
The goddess of hope, the goddess in brown  
The goddess of all that you've burned to the ground ...

I said hey,...
